A FORWORD

In this book, the yearbook staff and advisors show the different aspects of University life. Included in this are the surroundings, student organizations, faculty, sports, drama, studies, activities sponsored by students, foreign students and an all around general feeling of the University. To capture all of this the photography staff took rolls and rolls of film. The yearbook staff then attempted to find the best of these pictures to incorporate them in this book. As a result of these efforts of the entire staff, I present to you this book full of memories for all who have lived and been a part of the University of Maine at Presque Isle. This book of today will soon be the book of yesterday.

A SALUTE TO SALAMAGUNDI

To you, I present the meaning of Salamagundi. In February of 1909, a periodical written by students of the Aroostook State Normal School, was produced and it bore the name Salamagundi. It was a modern version of the periodical published by Washington Irving, a young man "full of exurberant spirits and literary faucies." The true meaning of Salamagundi is that of an "old Dutch Dish which consisted of a mixture of spices, chopped meat, pickled herring, oil, vinegar, pepper and onions." It was then reinterpreted to mean "a mixture of a variety of subjects." So it's easy to understand why Salamagundi was adopted. Even further, Salamagundi is "simply to instruct the young, reform the old, correct the town and castigate the age." I truly believe this is what a yearbook does. So, with this in mind, I also, present our 1979 yearbook, one to look back on through the years, a remembrance of today . . .

The Environment

"Gee, but it's beautiful country up here!"

STATE: Maine
COUNTY: Aroostook
TOWN: Presque Isle
INSTITUTION: University

BIOLOGICAL FACT: All living things are influenced by their environment.

High on this mountain
The clouds down below
I'm feeling so strong and alive
From this rocky perch
I'll continue to search
For the wind
And the snow
And the sky
I want a lover
I want some friends
And I want to live in the sun
And I want to do all the things that I never have done.

Sunny bright mornings
And pale moonlit nights
Keep me from feeling alone
Now, I'm learning to fly
And this freedom is like
Nothing I've ever known
I've seen the bottom
And I've been on top
But mostly I've tried in between
And where do you go
When you get to the end of your dream?

The Social

I woke up on the cement floor this morning
My head felt like somebody has been
a'walking on it.
I don't know how I got here.
I don't remember nothing at all.
But if I did all the things that
they say I did
Well I sure must have had
a ball.

KAPPA DELTA PHI

Kappa Delta Phi National Fraternity, Mu Chapter, was founded in 1952 as an educational and service organization. This year Kappa had an active brotherhood of 23 brothers. Five of these members were pledged in this year. In May, Dr. Dennis Dunham was admitted as an honorary brother. Activities included parties at the Kappa camp, the Convention in Boston, and many other adventures. Six brothers will be graduating this year. They will be missed by the rest of the brotherhood.

Kappa Mu, UMPI's oldest sorority began in 1972 under the direction of the brothers of Kappa Delta Phi who wished to form an organization that would advocate education, sisterhood, social service and an opportunity to form bonds with other women that would last a lifetime.

Since then Kappa Mu has become a National Greek organization affiliated with several other Kappa Chapters throughout Maine and New England. Kappa Mu puts on an Orientation Dance and a Christmas Bazaar as well as other worthwhile projects to benefit the campus and the community.

This year Kappa Mu went to a National Convention in Boston, Massachusetts. Thirteen active sisters attended from UMPI. Out of five trophies awarded, Mu Chapter walked away with four of them, which included the President's Cup, the Alumni Award, Broom Hockey Award, and Most Valuable Player.

Kappa has four honorary sisters: Mrs. Joanne St. Onge, Mrs. Ruth Mraz, Dr. Becky Herrich and Ruth Anderson. Dr. Herrich and Dr. Anderson also serve as advisors.

BETA SIGMA OMEGA SORORITY

"Sisterhood is in sharing . . . And sharing is of the Heart."

Beta Sigma Omega is a service organization devoted to servicing the campus, community, and members through various activities. Beta Sigma Omega is a state sorority recognized under its constitution as Beta Chapter.

As members of Beta Chapter we are continually striving to provide for others which in turn strengthens the unity that we share. Various services are provided for, such as Birthday Cake Service, Senior Citizen Day, Halloween Dance, Pine Tree Camp Ski-a-Thon, and many other opportunities are capitalized on to strengthen the foundation on which we grow . . . Sisterhood, Scholarship, Organization . . . and Service.

TAU EPSILON PHI FRATERNITY

TEΦ

The Tau Epsilon Phi, Pi Beta Chapter was founded on November 4, 1977, by Ed Hamlin. The founding brothers were: Keith Austin, Darrell Artis, Alan Filipov, Brian Jones, Steve Perreault, John Szczespanski, and Keith Trefethen. This year there were fourteen active brothers.

TEΦ is a service organization. Besides those joint projects listed on the Sisterhood page, the Brotherhood had other service projects this year. Some of these included Trick or Treating for children in YMCA World Services. At Christmas, TEΦ donated $150 worth of children's games to the Gould Hospital Children's Ward. Campus service projects included working security for the Fall Follies and sponsoring study hours at Kelley Commons so that people had a quiet place to study during finals.

TAU EPSILON PHI SISTERHOOD

Tau Epsilon Phi is primarily a service fraternity. This year service projects were done with and without the Brotherhood. Some projects included sponsoring a small girl from the Christian Children's Fund, Campus Clean-ups and raising money for both the YMCA World Services Organization and Easter Seals. In April the TEP organization, Pi Beta Chapter, ran a 10 hour Danceathon which raised over $5200 for Easter Seals, Pine Tree Camp for Crippled Children. The sisters also helped decorate Kelley Commons and Emerson Hall for the celebration of the Iranian New Year.

As TEP continues to grow, more service projects will be incorporated as part of TEP's make-up along with the building of new friendships and the continuation of old ones.

It's 6:45 by the South Hall clock,
And the Bell rings harsh and loud.
It hovers over each warm bed
Like a black unearthly shroud.
At 7:00 there's moaning and creaking
As knee joints start to unbend;
The moaning is from fuzzy-lined throats
Of fifteen weary men.
At 7:10 comes the slapping
Of bare feet hitting the floor
Then comes the bleary-eyed dash
Of the gang for the bathroom door.
7:16 by the South Hall clock
Makrs the start of the downstairs parade
And the myriad sounds of the pounding feet
Makes one think of "the light brigade".
As we walk in late to the dining room
A weird sight meets our gaze.
'Tis the fair young ladies from second "deck"
No make-up and still in a daze.
As the minute hand keeps sweeping
Toward 10 minutes after 8
There's a scurry and rush toward chapel
for no one wants to be late.
At length the long day is over
It's 6:00 by the South Hall clock.
After supper the couples who wish
Can go for their usual walk.
The lights are turned out at 10:30.
The girls are all in bed.
While on the floor above them
There's noise enough to wake the dead.

Presenting . . . the 1979 State Champs!! 1st Time in UMPI History Field Hockey Wins the Big One!!

This year's field hockey team proved to be the best yet for UMPI, losing only one game in regular season play. Because of their ability, they also captured the M.A.I.A.W. State Field Hockey title making them Maine State Champions.

Leading the offensive was senior Deb Madore, the state high scorer, and Co-Captain Nancy Morrow. The offense was also the best in the state with the help of Laura Bouchard, Laurie Scott and Pam Newhouse.

The defense was led by senior Co-Captain Julie Hannigan, Cindy Breau, Kim Madore, and Diane Clark.

If these achievements aren't enough, then add Goalie Ann Mercier, who turned in the best record statewide.

UMPI VARSITY CROSS COUNTRY

Season Record (5-4) 2nd North East College Conference Captain Chris Easton Coach Scott Bridgeman

Led by Freshman Greg Wardwell, the UMPI Cross Country Team finished with another winning season. Wardwell was undefeated in the North East College Conference and placed 30th in the New Englands out of a field of 250 runners. John Kenney and Mike Smyth helped stabilize the team with consistent high finishes. Captain Chris Easton, Doug Howard and John Harris fought off many nagging injuries to compete successfully. Newcomers Dan Kilcollins, John Cogley and Calvin Prest showed potential for strong future performances.

LE FOOTBALL

The University of Maine at Presque Isle soccer team performed well this season. Their record of 4 wins and 8 losses doesn't quite tell the entire story of how the "Owls" exhibit their skills on the field. Showing good pressure on the offensive attack was Dan Cyr, Bill Hannon, Dana Gregory, Iraj Hosseni, Whit Martin, Dick Gardiner, Steven King, and Kevin McConnell. In mid-field and moving the ball were Brian Cronin, Ron Nichols, Steve Connelly and Tom Tardif. Last but not least, in the defensive backfield, and exhibiting good defensive strategy was Michael Mercier, Michael Michaud, Rodney Paradis, and Todd Scoville. David Minzy was a remarkable goalie and made diving saves all season. Back-up goalies were Ted Cobb and Steve Byers.

WOMEN'S BASKETBALL or Those Crazy Women Who Got Up At 6 Every Morning to Practice.

The Women's Basketball Team was young this year. Many of the team members were freshmen at the University. Nevertheless, the team was dedicated. Every morning you'd see them at Breakfast up at Kelley Commons. You might think that's early, but they'd already been to practice. Theresa Flynn, a freshman team member, made Maine All-Star College list.

"You've seen the Montreal Canadiens, wait till you see the UMPI Snow Coyotes."

I lay awake each night
thinking of the ones I love.
I long to hold them tight.
and tell them things I've been thinking of.
It never seems this way,
till you are all alone
until you realize,
you're so far from home.
It seems like yesterday.
I couldn't wait for today to come.
But now that I look back,
you really were the ones.
So I'll hold on forever,
you'll never be alone.
Cause now I realize,
I'm so far from home.
Lately my life's been changing,
rearranging day to day.
But in your hearts is where,
I always want to stay.
So if you will wait for me,
I'm coming back.
no longer to roam.
Cause now I realize,
I'm so far from home.

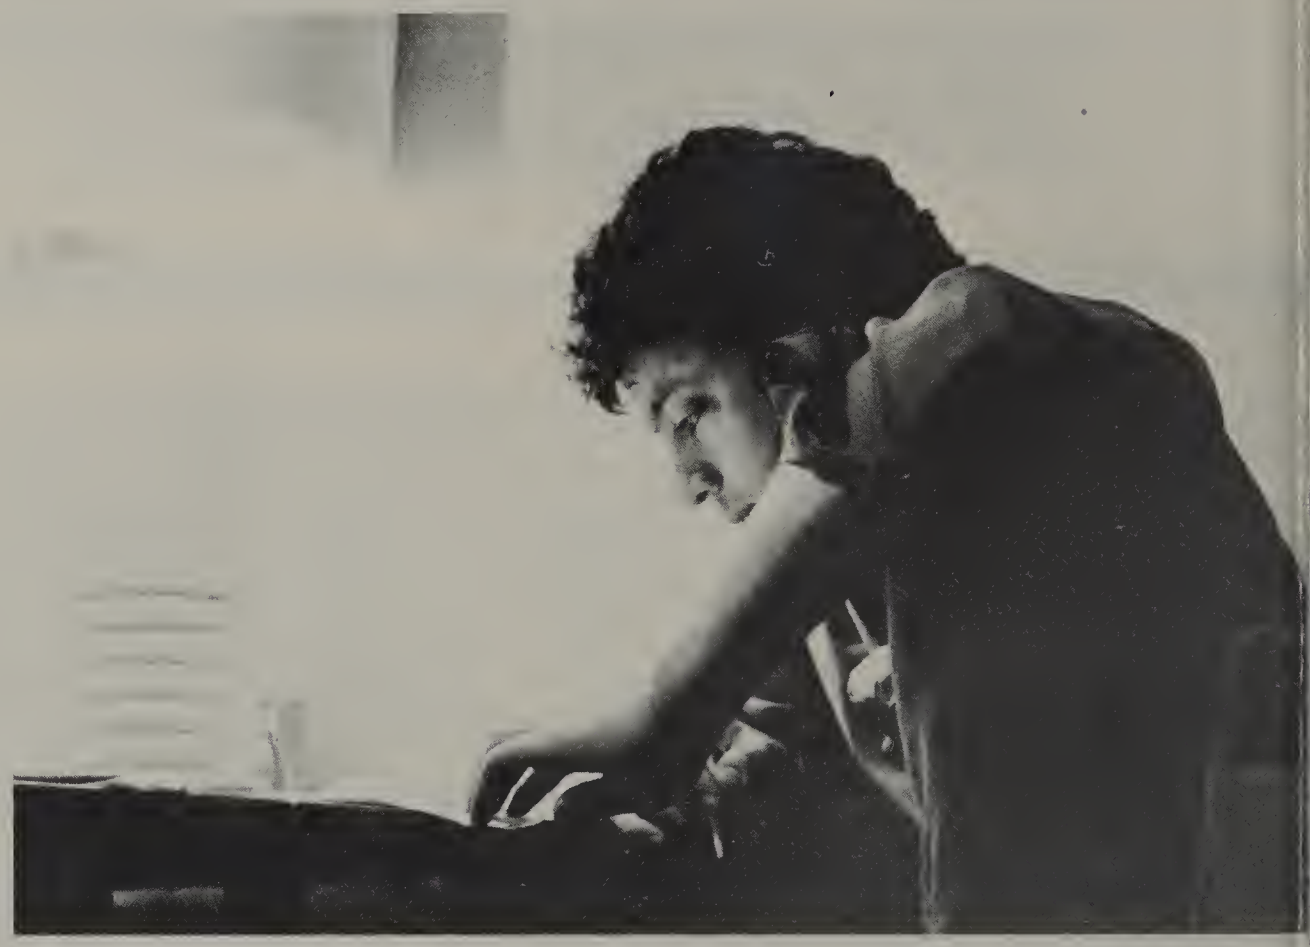
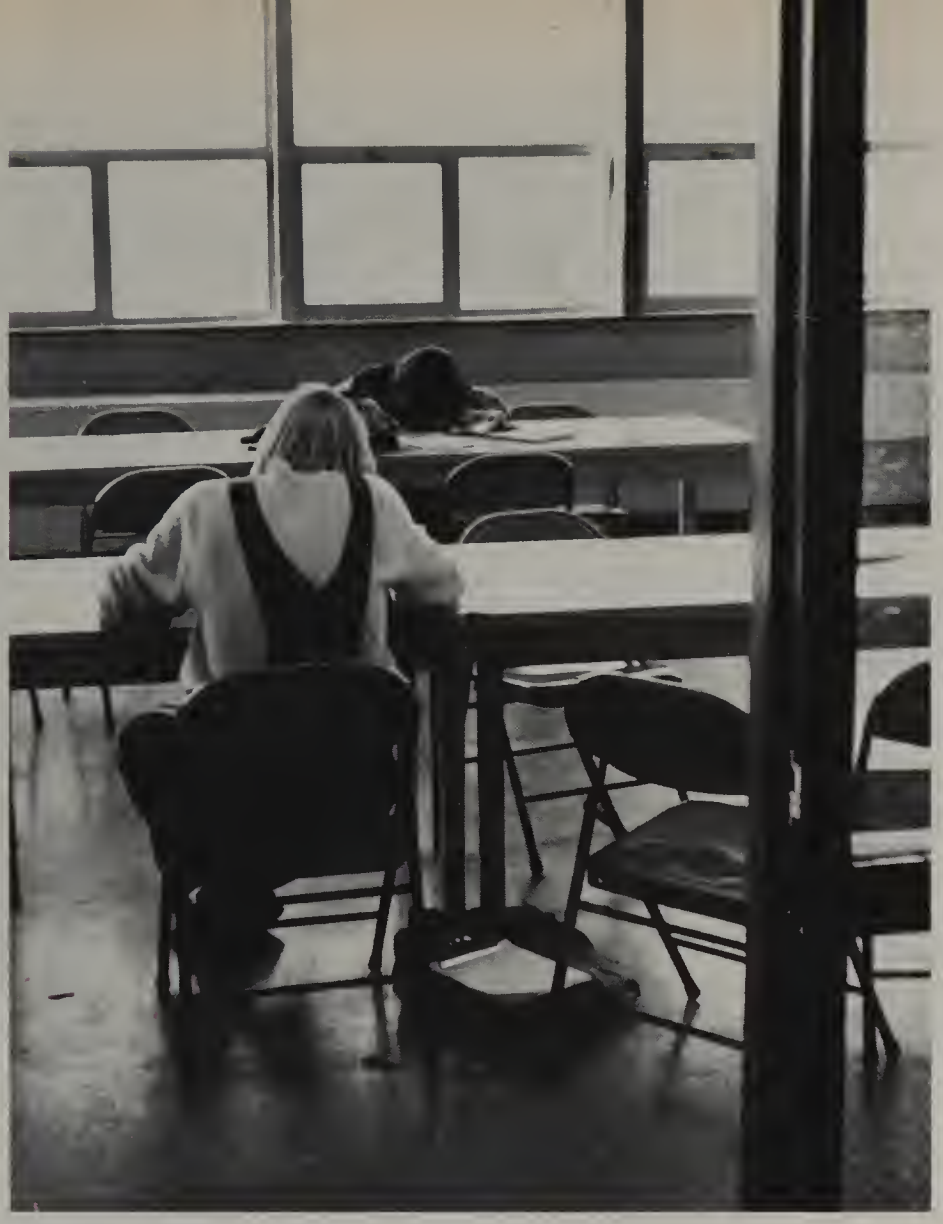
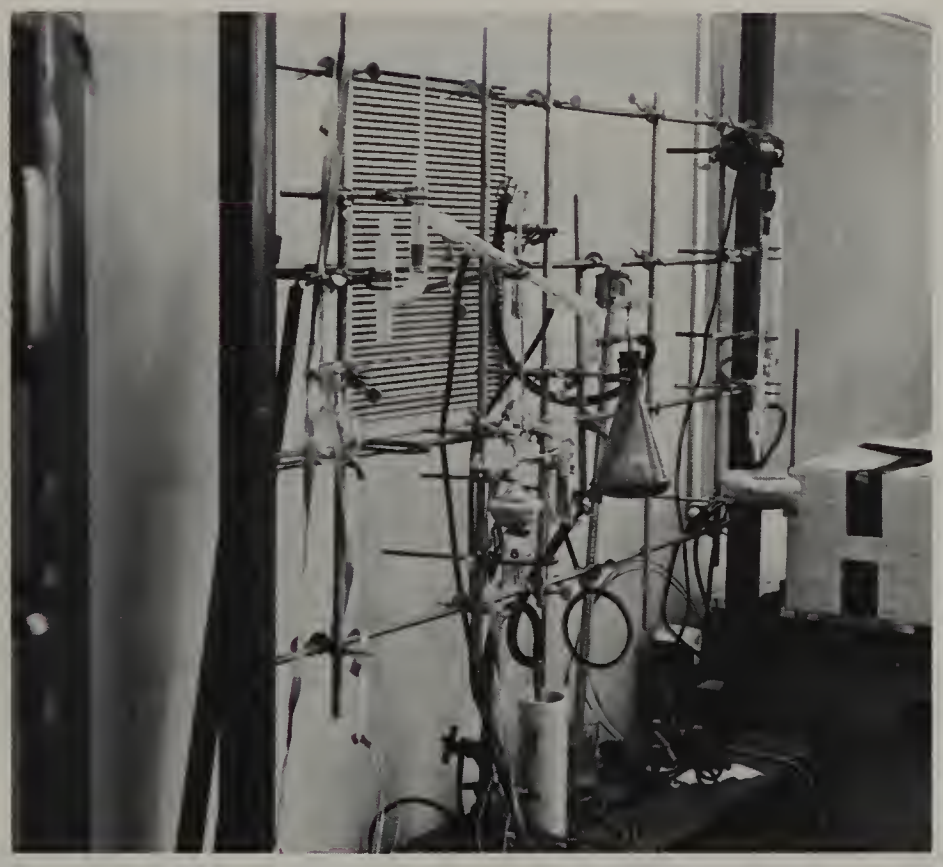
Freshman UMPI







A CERTAIN GOAL
— Kathy J. Bartlett

Be patient
For in waiting
Life will run its course
And you shall permeate the cloud . . .
And following forge the storm.
Thereupon you shall encounter
The rainbows end
But don't be disillusioned with
The profound pot of gold.
For its contents are only those virtues
Which you portray through sincerity and innocence.
Your reward and fortune
Will be in knowing,
Knowing that you have accomplished a life
which is both meaningful and exceptional.

Upon finding the pot of gold
Announce your findings to the world
In hopes of enlightening the search.
This is your duty as a recipient
of this wonderous bestowal.
Guide your followers but beware
Not to lead by the hand
For you will only lessen their inner
Gratitude of personal accomplishment.
Show them the path of love and righteousness
and along with them
Rededicate yourself to the rainbow spirit.

After witnessing the great
joy of your followers,
You may return to the ranks.
Your life will be complete except
for your ability to counsel.
You should feel proud and unique
For you have earned an honor
Which so many strive for
Yet so few obtain
Because of negligence toward life.
Start your journey now
You've not a moment to lose.
Grasp all that is within your reach, and more;
ever being reminded that brotherhood is in sharing
And sharing is of the heart.
May God speed you in your journey.

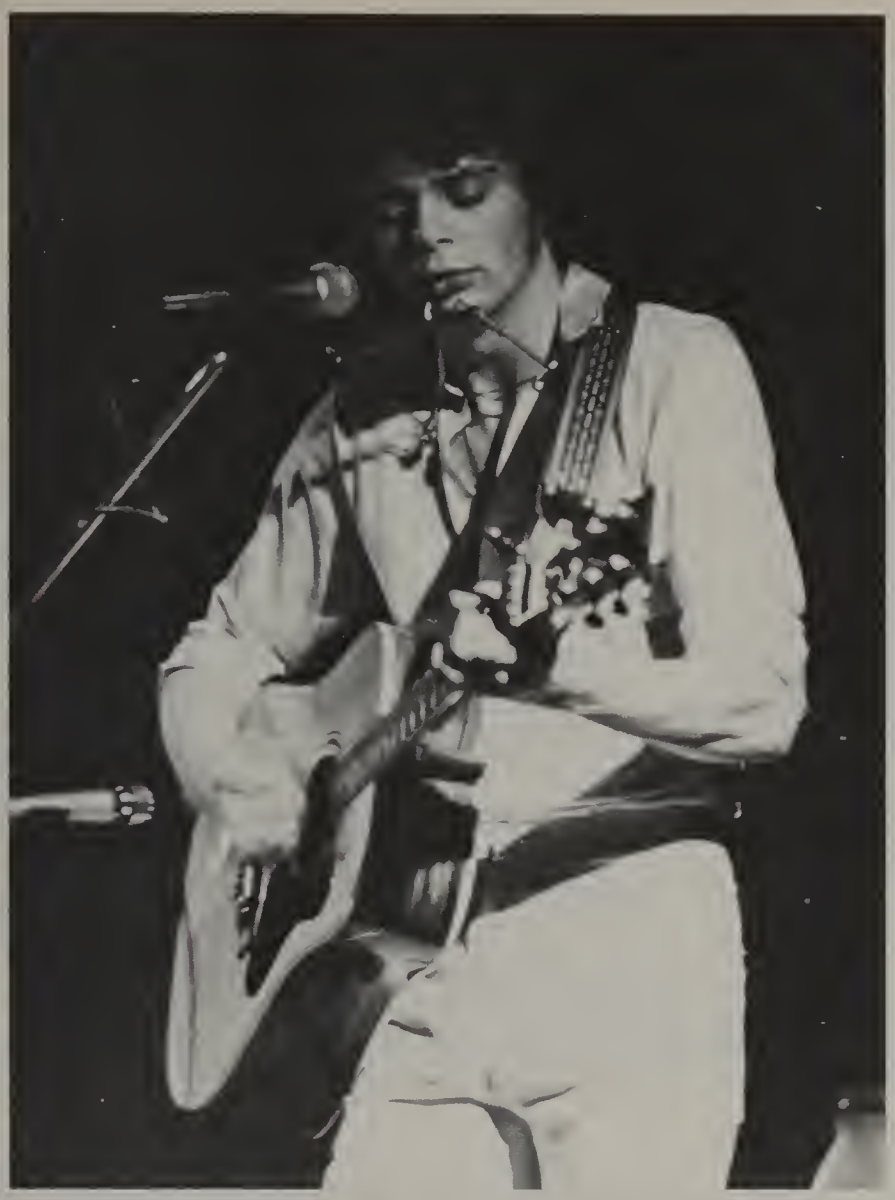
EMERSON HALL DAY
MAY 5, 1979

On May 5, 1979, Emerson Dorm Government, under the capable leadership of Connie Stackpole and Company, outdid themselves to make Emerson Hall Day a terrific success.



Aztec Two Step came to Presque Isle on May 29th for a concert in the Umpi gymnasium. This concert was sponsored by Student Senate funds and all UMPI family and their guests were admitted free of charge. One time UMPI student (and South Hall resident) Rex Fowler was a member of the group.

An added entertainment attraction was UMPI's own Paul Sawyer who played guitar and sang at the concert. Paul is a freshman at the University and one of his songs is printed in our yearbook.

Mother Nature played a nasty trick and the festivities had to be held indoors. Nevertheless, most of the campus crowded into Emerson Back Lounge and Lobby to listen to Oat Willy. Everyone had a great time in spite of the weather.

It was a day of wild Dionysions. Oat Willy played an extra two hours. The entertainment was then moved to Kelley Commons where the Estes Boys played until 1 am. A good time was had by all.

PIE IN THE EYE FOR OTC

Every year for Greek Weekend it is customary to have a Pie Auction in which bids are taken to throw a pie at the person of your choice. This year Omega Sigma Beta organized the Pie Auction. Volunteer participants included Dr. Dennis Dunham, Bob Crawford, Peter Coy, Dick Martell and Jean Maloney. David Yeo and David Grant did an admirable job as auctioneers and entertainers. All money raised was donated to the Occupational Training Center.

COMMENCEMENT

Commencement Exercises at the University of Maine at Presque Isle took place on May 19, 1979, at 1 p.m. in the Weiden Gym. Governor Jeseph E. Brennan gave the Commencement Address. Two awards were given by the University. An Honorary Doctorate of Laws was awarded to the Governor and a Distinguished Service Award was presented to Harold L. Mailman. Thomas Farrell, Senior Class President, spoke to the graduates, Janice Selinski gave the Invocation; Kathy Bartlett and Nancy Morrow sang a vocal duet; and Wendy Riemenschneider gave the Benediction. Francis A. Brown, Chairman of the U of M Board of Trustees confereed the Degrees. The exercises were attended by many friends, family and relatives of the graduates.

ENDING

Farewell to you and the youth I have spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky.

But now our sleep has fled and our dream is over, and it is no longer dawn.

The noontide is upon us and our half waking has turned to a better day and we must part.

If in the twilight of a memory we should meet once more, we should speak again together and you shall sing me a deeper song.

And if our hands should meet in another dream, we should build another tower in the sky.

~ Kahil Gibran
from The Prophet

Dedication

We've thought a lot of highway
— Presque Isle to Clinton, Mo. in fact —
on how to write this dedication
to someone
who's been there
and encouraged us,
And we honestly know
we can't make up the words that are adequate.
But we'd like to wrap this up right
This yearbook is dedicated to Linda Jones—Tavano
Thanks again J-T.
